THE LOT DRAWING.

The lot drawing came off yester day as advertized, and as far as we can learn every body concerned were perfectly satisfied and conceded the drawing to be perfectly fair and impartial. The Commissioners who conducted the drawing were all county men and were Messrs. N. J. Brown, of Mill Point, J. K. Gay, of Edray and Dr. John Ligon, of Clover Lick.

Not a bad lot, as we have seen was drawn by any of our County people, and in fact, not a bad one was drawn by any one which was although \$42,020 were sold, noth ing remarkable as there were very few inferior lots in the drawing.

The lots owned by the company are regularly on the market, and any one wishing to purch: so, can either call on or address the gener al manager, Mr. F. M. Durbin, at this place, until some plan of sale can be agreed upon by the company.

DRAWING. And Destribution of Lots.

The drawing of the lots began at 2 o'clock in the afternoon and was conducted in a manner conveded by all to be absolute fair to the purchasers of lots. One hundred and ninety-one lots were drawn and assigned. The list of purchasers included such prominent men as Senator Camden, Governor Fleming, Secretary of State Ohley, Professor J. C. White and many others. Space does not permit as to give a complete list. of all the purchasers, but we give below the names of such as we think will be of interest to our readers, together with the number of the lot. The first name drawn was Mrs. Elizabeth Buckey, of Beverly who secured a very good lot in Block 46;

the others were: Lot 20 Block 37 Levi Gay John M. Cunningham "18 66 44 A. C. Young 1 44 44 2 S. W. Moon 44 26 M. J. Crouch .. 46 8 Mrs. Lucy Holt 44 Walter H. Yeager " 9 44 Levi Gay 44 10 44 % 66 25 25 66 B. F. Hamilton " 66 46 22 O. R. Slaven
